FESTIVAL PROGRAM

ABOUT THE FESTIVAL

About the Invictus Australia Sports Festival 2026, Presented by ATCO.

The Invictus Australia Sports Festival 2026, Presented by ATCO, is an international adaptive sport event bringing together wounded, injured and ill current and former serving veterans from across the Indo-Pacific. The Festival harnesses the power of sport to inspire recovery, support rehabilitation and generate a wider understanding and respect for our veteran communities.

Delivered with the support of the Invictus Games Foundation, the Invictus Australia Sports Festival 2026, Presented by ATCO strengthens the broader global Invictus Movement by creating more opportunities for recovery, connection and international adaptive sport between Invictus Games, closer to home across the Indo-Pacific.

Through the Festival, Invictus Australia aims to create more year-round pathways for veterans and families to stay active, supported and engaged beyond an Invictus Games. It also deepens international collaboration across the region.

Unlike elite sporting competitions, the Festival is inclusive and designed for competitors of all abilities. Participation is focused on rehabilitation, community and personal progress - reflecting the same commitment to wounded, injured and ill defence personnel that underpins the Invictus Games.

Who will compete at the Invictus Australia Sports Festival?

The Festival will host up to 60 wounded, injured and ill service personnel and veterans from three countries.

Participating Nations:

- Australia. View their bios here.
- New Zealand
- Republic of Korea

The Australian contingent will include 30 competitors.
